Complainant

vs.

) MOTION TO DENY EXTENTION
) OF TIME TO RESPOND

Tucson Electric Power Company,

Respondent

Hereby, I Viktor Peter Polivka (Pro-SE Complainant) respectfully request that the Arizona Corporation Commission (ACC) vacates and denies the Tucson Electric Power Company (TEP) motion for additional time to respond to the formal complaint. Hence, Complainant states that he never agreed to enter into the meditation process, with any TEP counsel or representative. Matter of fact, late March 2010 the ACC analyst assigned to review the complaint, suggested to TEP mediation to resolve the issues, and TEP counsel declined. For the record, the only in person contact, Complainant spoke to a TEP agent on the 9th of April 2010, when the agent made the "final decision to deny approval for a Grid Tied system", while objecting to the decision, Complainant was informed that TEPs decision was final. Quote: We are a monopoly, we make all the rules! end quote! Then via a third party, 6 months later Complainant was asked if he was willing to "listen" to TEPs proposal and a meeting was scheduled for the 7th day of September 2010. This date was subsequently cancelled by TEP. Hence, Complainant requests that there be no change in the procedural direction of the formal complaint process and requests that the ACC adheres to the original Docket response time table, as mandated by ACC statutory rules. Extension of response time is not justifiable and with out any merit, other than to delay the proceedings

RESPECTFULLY SUBMITTED this 2nd Day of September 2010
